Center for Reproductive Rights

U.S. Program Support. The core mission of the Center's U.S. Program is to establish reproductive rights as legally enforceable fundamental rights. We will seek to improve poor and marginalized women's access to reproductive healthcare and control over their reproductive decision making through the implementation of the following initiatives: * Establish the Right to Affordable Reproductive Healthcare in the U.S. * Restore robust constitutional and legal protection for reproductive rights throughout the U.S.

Choice USA

General Support. Choice USA mobilizes and provides ongoing support to young leaders who promote and protect sexual health and reproductive justice. Our goal: to ensure that young people have agency over their own bodies and relationships and the power, knowledge and tools to exercise that agency. Toward that end, we will build a base of RJ advocates by: training young people to engage in advocacy; engaging them in campaigns at the local, state and national levels; and framing and influencing national dialogues.

Forward Together

General Support. Forward Together promotes and protects reproductive justice through organizing, building leadership capacity, developing alliances, and education to achieve community and systemic change. Reproductive justice exists when all people have the economic, social and political power and resources to make healthy decisions about their gender, bodies, and sexuality for themselves, their families and communities.

Groundswell Fund

Sponsored by New Venture Fund

The Catalyst Fund supports a stronger, more effective U.S. movement for reproductive justice by mobilizing new funding and capacity building resources to women of color-led constituency building and policy advocacy efforts. The Catalyst Fund supports a stronger, more effective U.S. movement for reproductive justice by mobilizing new funding and capacity building resources to women of color-led constituency building and advocacy efforts.

Law Students for Reproductive Justice

General Operating Support. Law Students for Reproductive Justice (LSRJ) trains and mobilizes law students and new lawyers across the country to foster legal expertise and support for the realization of reproductive justice.

MergerWatch Community Catalyst

Raising Women's Voices: Reproductive Health and Health Reform. The goal of this project is to provide a strong, informed advocacy voice for women's health and reproductive health services as implementation of the Affordable Care Act enters the final crucial year of work before the law becomes fully effective in January of 2014. Our work will focus on achieving the creation of

model state insurance exchanges in progressive states, advocating for the expansion of Medicaid coverage and building knowledge of and support for the ACA among women.

Ms. Foundation for Women

The Ms. Foundation for Women's Reproductive Health Grants and Capacity Building Program. The Ms. Foundation's Reproductive Health Grants and capacity building program supports organizations through grantmaking, technical assistance, and networking opportunities that strengthen their infrastructure and expand the base of support for a national reproductive justice movement.

National Asian Pacific American Women's Forum Sponsored by The Tides Center

Reproductive Justice for Asian Pacific Islander women and girls. NAPAWF's long-term goal is to achieve social justice for API women and girls. Building towards that end, our goal over the next two years is to build broader bases of support amongst the API community and strategic allies to support change that effectively meets the needs of API women and girls.

National Health Law Program Inc

The Initiative to Promote Reproductive Health for Low-Income Women . The Initiative to Promote Reproductive Health for Low-Income Women is NHeLP's strategy to increase reproductive health access for low-income women and women of color by advancing their rights to publicly financed health care. The Initiative uses a two-pronged approach -- grassroots legal assistance and advocacy -- to target specific barriers to care.

National Institute for Reproductive Health

Project support for the Urban Initiative for Reproductive Health. The Urban Initiative is a national initiative promoting solutions to address reproductive health problems that cities currently face. The UI brings together public health officials, advocates, and other allies to advance a reproductive health, rights, and justice agenda. In 2013, UI will provide funding and technical assistance to local organizations, create and disseminate new resources, and build stronger relationships among local organizations and potential partners at the state level.

National Latina Institute for Reproductive Health

General Support. The mission of NLIRH is to ensure the fundamental human right to reproductive health and justice for Latinas, their families and their communities through public education, community mobilization and advocacy.

Provide, Inc.

General Support. Provide envisions a world in which abortion is an integrated and accessible part of healthcare. Our overall goal is to build the infrastructure to support abortion provision in all regulatory environments, now and in the future. Our current emphasis is on eliminating disparities in access based on income and geography -- two of the biggest gaps in access.

Religious Coalition for Reproductive Choice

General Support. RCRC is the only national interfaith coalition dedicated to preserving reproductive choice and working for reproductive justice. RCRC is a non-partisan, non-profit education and advocacy organization of national denominations and religious organizations from diverse faiths.

Third Wave Foundation

Gender Justice Initiative. Third Wave Foundation was founded 15 years ago to fill a resource and strategy gap at the intersections of philanthropy, youth organizing, feminism and racial justice. Third Wave centers the youth most impacted by inequity as the architects for community and systemic change, through strategic grantmaking, leadership development, and philanthropic advocacy. We support multi-issue and multi-strategy work led by young women of color in low-income communities.

Discretionary Grants

Brown Boi Project Sponsored by Movement Strategy Center

Young Black Reproductive Justice Leader Support. This grant will support our movement building efforts with young Black reproductive justice leaders to develop policy and community engagement strategy, build relationships and leadership development, and support future investments in young Black women's leadership within this movement.

Forward Together

General Support. Forward Together promotes and protects reproductive justice through organizing, building leadership capacity, developing alliances, and education to achieve community and systemic change. Reproductive justice exists when all people have the economic, social and political power and resources to make healthy decisions about their gender, bodies, and sexuality for themselves, their families and communities.

Funders Network on Population, Reproductive Health and Rights \$4,000

Database scoping project. The Database scoping project will explore options for developing a comprehensive database of opinion research on reproductive health issues.

Funders Network on Population, Reproductive Health and Rights\$10,000

General Support. The Funders Network is a network of grantmakers who address issues of reproductive health, rights and justice. Its members share a common goal: to ensure that all people have access to the information and services they need to manage their own fertility and protect and promote their sexual and reproductive health. To that end, the Network seeks to improve communication, foster collaboration, increase resources and enhance the overall effectiveness of grantmaking.

Groundswell Fund

Sponsored by New Venture Fund

For Groundswell's Civic Engagement Capacity Building Program. To provide training, technical support and resources to Reproductive Justice organizations so that they can develop and carry out civic engagement work.

Law Students for Reproductive Justice

Coaching grant to Support Staff Amid Parental Leaves. LSRJ will hire an Executive Coach to support staff before, during, and after two people take overlapping parental leaves this Spring/Summer. We want the organization to thrive - not just survive - through this experience. With the guidance of an Executive Coach, we can gain skills, glean insights, and grow more sustainable in ways that strengthen us as individuals and the organization as a whole.

New World Foundation

Building Capacity for Organizational Resilience and Renewal (BCORR). The Rockwood Leadership Institute provides nonprofit leaders with powerful and effective training in collaborative leadership. Rockwood's BCORR (Building Capacity for Organizational Resilience and Renewal) program extends the impact of transformational change to entire organizations. Rockwood and BCORR's theories of change merge "traditional" organizational development tools with "reflective" practices to best support movement-building organizations and networks across the country.

The Culture Group Air Traffic Control

The Culture Group purpose is to advance progressive change through expansive, strategic and values-driven cultural organizing. The Culture Group (TCG), a collaboration of social change experts and creative producers, joined together formally in September 2010 to advance progressive change through expansive, strategic and values-driven cultural organizing. TCG identifies, studies and deploys effective models for increasing the creative industries' and individuals' participation in the progressive movement.
